

UNITED STATES BANKRUPTCY COURT
NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION

In re:)
) Case No. 17bk36268
JOSEPH J PORADA JR.,)
) Chapter 11
Debtor.)
-----) Honorable Timothy A. Barnes

FINDINGS OF FACT AND CONCLUSIONS OF LAW IN SUPPORT OF ORDER
AWARDING TO FOX ROTHSCHILD LLP, ATTORNEYS FOR DEBTOR, FOR
ALLOWANCE AND PAYMENT OF INTERIM COMPENSATION AND
REIMBURSEMENT OF EXPENSES

TOTAL FEES REQUESTED:	\$ 92,480.00	TOTAL COSTS REQUESTED:	\$ 1,532.44
TOTAL FEES REDUCED:	\$ 5,940.43	TOTAL COSTS REDUCED:	\$ 0.00
TOTAL FEES ALLOWED:	\$ 86,539.57	TOTAL COSTS ALLOWED:	\$ 1,532.44

TOTAL FEES AND COSTS ALLOWED: \$ 88,072.01

IT IS HEREBY ORDERED THAT:

- i. Notice of the application is shortened to that given.
- ii. Pursuant to paragraphs 7 and 8 of the order of February 13, 2019 [Dkt. No. 83], Fox Rothschild is authorized to apply the funds it is holding in its client funds account for the benefit of the Debtor to the fees and expenses allowed hereby.
- iii. The Debtor is authorized to pay Fox Rothschild any balance of fees and expenses allowed hereby.
- iv. The attached time and expense entries have been underlined to reflect disallowance in whole or in part. The basis for each disallowance is reflected by numerical notations that appear on the left of each underlined entry. The numerical notations correspond to the enumerated paragraphs below.

(1) Computational or Typographical Error – TOTAL of disallowed amounts: \$ 317.00

The court denies the allowance of compensation for the following tasks because the amount of fees appears to be a computational or typographical error. Also, where there are two identical entries (same day, same tasks, same time billed), the court will consider one of the entries to be a typographical error.

(2) Insufficient Description – TOTAL of disallowed amounts: \$ 1,274.00

The Court denies the allowance of compensation for the indicated task(s) as the description of each task fails to identify in a reasonable manner the service rendered. *In re Pettibone*, 74 B.R. 293, 301 (Bankr. N.D. Ill. 1987) (Schmetterer, J.) (“A proper fee application must list each activity, its date, the attorney who performed the work, a description of the nature and substance of the work performed, and the time spent on the work. [Citation omitted] Records which give no explanation of the activities performed are not compensable.”); *In re Wildman*, 72 B.R. 700, 708-9 (Bankr. N.D. Ill. 1987) (Schmetterer, J.) (same).

(3) Unreasonable Travel Rate – TOTAL of disallowed amounts: \$ 1,127.00

The Court denies the allowance in part of compensation for travel time, where compensation at the normal hourly rate (not the customary one-half discounted rate) is sought without explanation. *In re Planter*, No. 08 B 16883, 2009 WL 1393691 (Bankr. N.D. Ill. May 18, 2009) (Barbosa, J.) (“this Court has routinely held that time spent traveling to and from a location typically shall be compensated at one-half of the attorneys’ or other professionals’ hourly rate.”); *In re McKeeman*, 236 B.R. 667 (B.A.P. 8th Cir.1999); *In re Spanjer Bros., Inc.*, 191 B.R. 738, 755 (Bankr. N.D. Ill. 1996) (Squires, J.).

(4) Unreasonable Time – TOTAL of disallowed amounts: \$ 3,222.43

The Court denies the allowance of compensation that is disproportionate to the total hours in the main case. *In re Wildman*, 72 B.R. 700, 711 (Bankr. N.D. Ill. 1987) (Schmetterer, J.) (“In the absence of unusual circumstances, the hours allowed by this Court for preparing and litigating the attorney fee application should not exceed three percent of the total hours in the main case.”); *In re Pettibone Corp.*, 74 B.R. 293, 304 (Bankr. N.D. Ill. 1987) (Schmetterer, J.) (*citing Coulter v. State of Tennessee*, 805 F.2d 146, 151 (6th Cir. 1986) (in nonbankruptcy cases, compensation for preparation and litigation of fee petitions limited to 3-5% of the hours of the main case)).

In this application counsel seeks \$ 12,327.00 for working on the fee application for Shaw Fishman Glantz & Towbin LLC and the first interim application of Rathje & Woodward, LLC. The court finds it appropriate to award 3% of the \$ 136,819.00 sought in the these applications, or \$ 4,104.57. Counsel has, however, already taken a \$5,000.00 voluntary reduction, which the court will include as part of the reduction in this category so that counsel is not penalized twice. This results in a reduction of compensation of \$ 3,222.43.

The Court also generally denies the allowance in part of compensation for the indicated task(s) since the professional or paraprofessional expended an unreasonable amount of time on the task(s) in light of the nature of the task(s), the experience and knowledge of the professional performing the task(s), and the amount of time previously expended by the professional or another on the task(s). *In re Pettibone*, 74 B.R. 293, 306 (Bankr. N.D. Ill. 1987) (Schmetterer, J.) (“The Court will determine what is the reasonable amount of time an attorney should have to spend on a given project... An attorney should not be rewarded for inefficiency. Similarly, attorneys will not be fully compensated for spending an unreasonable number of hours on activities of little benefit to the estate.”); *In re Wildman*, 72 B.R. 700, 713 (Bankr. N.D. Ill. 1987) (Schmetterer, J.) (same).

In this application there is a disproportionate amount of time billed at a partner rate for tasks that should have been delegated to an associate or billed at an associate rate. However, given the court’s previous reduction for fee preparation charges, the court imposes no reduction for this

unreasonable partner rate, or improper allocation of resources. The court cautions counsel that the court will not be as lenient in future matters.

Dated: March 20, 2019
